So it's more than food (though we'll have great food), it's crazy Christmas amusement and crazy Christmas music and crazy Christmas goodness too! So we're going to hit Christmas (Advent, too) on all levels we'll have some Christmas games, some Advent stations, some Christmas carols, some Christmas conversation and let's not forget the Christingles, as we look for the hope that is born again and again and again—that hope that comes to us and for us again and again and again
